LETTER TO THE EDITOR

Editor, Times-Virginian:

Dear Sir—Please give me a little space in your paper as I will try to express my way of thinking of the new 1958 to the public. Dear friends and citizens, one and all to whom it may concern. First, let us all take time to think of the blessing of the Lord for His love and care for us and that He has blessed us to see the beginning of this new year. May we all strive to live better and to do more in the service of the Lord, everyday and all the way and to make ourselves better. We thank the Editor for the nice paper, and hope for him a successful business. May we all be thankful and strive to make this home a better place for us to live in while down here on this side of life. We ask for a blessing for all who are in distress. May the Lord bless us in what He gives us to do. We will not forget to ask a blessing for our friend, Mr. R. L. Burke.

Your friend,
Henry Phelps.

Special Services

A series of special services will begin at the Bethany Pentecostal Holiness Church on Friday, Jan. 31 through Feb. 2.

These services are arranged specially for the youth of our community in accordance with the National Youth Week to be obreaved that week.

We have arranged a special program which should be of interest to all, both young and old. Four students from Holmes Bible College Greenville, S. C. wil do the preaching, singing and playing. We want to reach our youth for Christ. There would be no better place to take your children than to church during Youth Week.

You are cordially invited. Make your plans now to be with us these three days.
